Thailand Nationwide - Mae Sot  
Myawaddy - Myanmar Nationwide

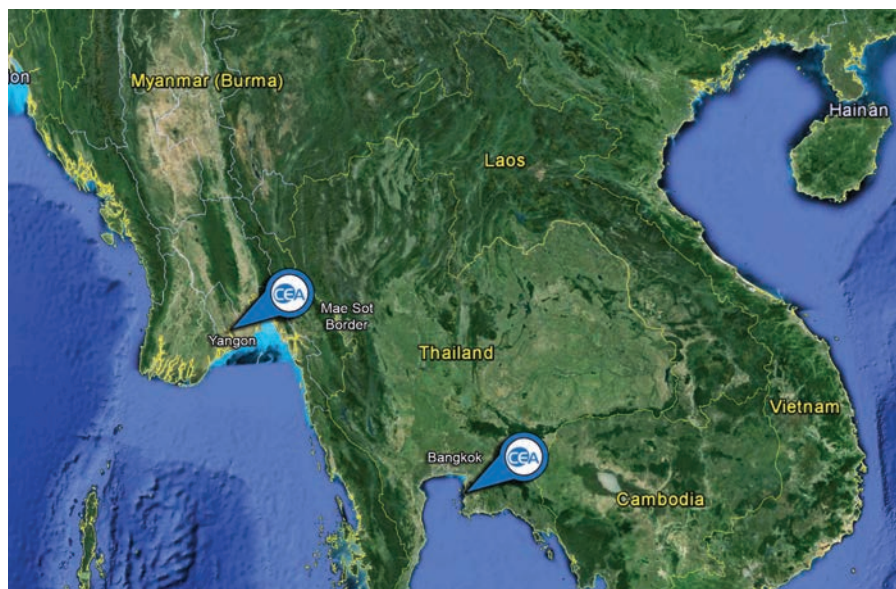

### Import Permits

Temporary  
Permanent  
Customs Clearance

CEA Projects Myanmar has cross border services from Thailand to Myanmar offering customers full cargo consolidation, transportation, customs and duty clearance.

CEA can offer the flexibility of new routes to all our clients, additionally we also provide visibility, security, extra capacity and the option of multi-modal transportation for finished goods, machinery and raw materials.

A majority of shipments are consolidated at CEA Headquarters in Laem Chabang, Thailand, after consolidation they are delivered with full DDP to customers in Myanmar.

CEA'S OPERATIONAL BASES ARE LOCATED TO OFFER OUR CLIENTS A VALUED SOLUTION

FEATURED SERVICE FS009  
Cross Border Transportation 1/2

Regular road services connect Myanmar and Thailand enabling us to make substantial savings for our clients when compared to Air Freight Transportation. Our fleet includes an In-Vehicle Management System (IVMS) giving the customer greater insight and control.
