The CEA Ao-Udom facility opened in 2009 and can provide 80,000m² of open gravel hard stand storage and 2,800m² of covered warehousing with accompanying Gantry Cranes.

The location of Ao-Udom gives us a definite advantage in packing and crating any type of goods for global export. Our quarantine facilities are in compliance and approved by The Department of Agriculture, Forestry and Fisheries (DAFF) of Australia, and are manned by accredited cargo professionals.

We provide the highest quality of material handling equipment (MHE) and offer a wide range of Manitou vehicles including Forklifts, Telehandlers and Elevated Work Platforms, our Forklifts range from 2 to 32 Tonnes. On-site we can also provide Mobile Cranes and Reach Stacker's that ensure our warehouses and yards are able to execute any project effectively and efficiently.
