

CROSS-BORDER TRANSPORTATION

Regions of Operation

- Thailand ↔ Vietnam
- Thailand ↔ Laos
- Thailand ↔ Cambodia
- Thailand ↔ Myanmar
- Thailand ↔ Malaysia / Singapore
- Vietnam ↔ Laos
- Vietnam ↔ Cambodia

CEA provide cross-border transportation services throughout the ASEAN region offering customers full cargo consolidation, transportation, customs and duty clearance and specialising in industrial gas, chemicals and bulk commodities.

Our experienced teams facilitate all documentation regarding import permits and customs clearance and are well-versed in the transportation processes for gas, chemicals and other commodities into neighbouring countries.

Our fleet includes an In-Vehicle Monitoring System (IVMS) giving the customer greater insight and control

CEA offer the flexibility of new routes to all our clients, additionally we provide visibility, security, extra capacity and the option of multi-modal transportation for finished goods, machinery, raw materials, gases and chemicals. Consolidation services are also offered at our logistics base in Laem Chabang, Thailand.
